

The **benefits** of working with us

Join our **progressive** care team

The Apollo Care Alliance is an innovative national organisation with a unique vision to strengthen not-for-profit aged care and retirement communities, and home care services.

We are a new breed of care provider that has become one of the fastest growing in Australia. Our progressive operating model enhances staff efficiency and culture, quality and compliance, and most importantly, resident and client experience.

Our innovative model has been recognised internationally at the Asia-Pacific Eldercare Awards.

We use **innovation** to make care **better** for staff, residents and clients

Better care

Our industry-leading technology and care systems empower you to enhance the wellbeing of residents and clients.

Better pay

Our not-for-profit status provides tax advantages that can increase your take home pay.

Better leadership

Work with experienced local managers who are suppported by leading care experts.

Better opportunities

Progress your career through inspiring training, flexible pathways and visa sponsorships.

Better culture

Our award-winning culture program unites our team to put residents and clients first.

Lifestyle and financial benefits

Salary packaging

Up to \$15,900 of your salary could be tax-free to spend on living expenses, plus another \$2,650 to spend on meals and entertainment. *On a \$50,000/year salary, this means an extra \$380.92 in your pocket each month!*

Long-term job security

Guaranteed, predictable income on full-time or part-time employment contracts.

Advance your skills and pay levels

Ongoing access to engaging best-practice training and development programs so you can continue to build your capabilities and career.

Shift swapping

You have flexibility to choose your longterm work hours to plan ahead for a better work/life balance. Up to 45 days paid leave a year

You still get paid for shifts you don't work with annual leave (at 17.5% loading) and sick leave. You can also access compassionate, carer and DV leave.

On a \$50,000/year salary, this means up to \$7,570 in paid leave a year!

Better job satisfaction

Enjoy the rewards of being part of a team that builds long-term connections with each other, residents and clients.

Plan-ahead rostering system
Know your shifts weeks in advance.

Personal wellbeing support

Our Employee Assistance Program gives you free, confidential counselling, coaching and resources to support your emotional, financial and physical wellbeing.

Our whole team has incredible support from Apollo Care. They give us the tools we need to provide quality care and build meaningful connections with the people we care for.

Salary Packaging can increase your take-home pay every single month

Join our team as a Permanent Employee and you could be eligible for Salary Packaging. This means that up to \$18,550 of your annual salary could be tax-free if you meet the simple criteria!

How salary packaging works if you earn \$50,000 per year

Take-home pay without salary packaging \$42,283

Take-home pay with salary packaging \$46,854

Potential benefit per year \$4,571

How does Salary Packaging work?

Salary Packaging allows you to pay for certain expenses before income tax is calculated - so you pay less tax and have more money to spend.

You can spend up to \$15,900 of your pre-tax salary on living expenses like:

- · Paying your mortgage or rent
- · Paying credit card bills or loan repayments
- Buying a car
- Your children's educational expenses
- Other everyday living expenses

You can also spend up to \$2,650 of your pre-tax salary on meals and entertainment

- · Meals and drinks in restaurants or cafés
- · Holiday accommodation and car hire
- · Catering and venue hire

For me, Salary
Packaging is like
getting a pay rise of
over \$4,500 a year!
Now, I'll be able to pay
off my car loan faster.
